

SCOTLAND JUNIOR NATIONAL PROGRAMME 2021/2022 Season Overview

Head Coach Dave Simpson here, and I'm excited to present the 2021/2022 Scotland Juniors season as we prepare to represent Scotland in competition against top teams from around the world.

We are training and trialing for two events: 2022 Home Internationals in Edinburgh and World Festival / US Tour in Baltimore, Maryland, USA. Each will have a separate selection, but only those who participate in Home Internationals will be considered for World Festival.

ELIGIBILITY

The first question is whether you are eligible to play for Scotland Juniors. We are registering players starting from age 14 and through to recent school-leavers (we will consider 13-year-olds by application only). As World Festival is an 18U competition, only players born on or after Sept 1, 2003, are eligible.

For Scotland eligibility, see the criteria here:

<https://www.lacrossescotland.com/policies/eligibility/>

CALENDAR AND FEES

Scroll to the bottom of this document to see the complete Training and Competition Calendar, along with a schedule of fees.

REGISTRATION

1. Before you can register for the season you must confirm your active Lacrosse Scotland membership at www.wildapricot.com.

2. Next, register and pay for the first training block at this link:
<https://lacrossescotland.wildapricot.org/event-4439107>

All the details about the training season are available there.

3. Then, once we see that you have registered we'll add you to the team's whatsapp group for Home Ints 2022, which is where most of our communications will happen going forward.

4. Coach Heather will be releasing her new stickwork programme and Coach Stuart will be releasing his S&C programme shortly.

5. Help us recruit!! Please forward this along with the Training/Competition Calendar to any friends or teammates who are Scotland-eligible and who you think might be interested in trialing for Juniors. You can also share my contact with them in case they'd like to have a chat before they sign up.

Please reach out to me with any questions at all!
